- Any culinary and bakery associations, ACF, GHRA, NRA, TCA, RBA, NBA, etc...

## **ADDITIONAL INFORMATION**

The amount of funds to be available for the GES is decided once a year by CIL. Once that available funding is exhausted, scholarship will not be available to otherwise eligible students in that year.

- The GES Matching Fund does not replace the student's eligibility for Federal Pell Grant.
- Student has to notify financial aid of their success in obtaining an outside scholarship and provide proof. Within a week, GES Matching fund will be deposited in student account ledger once all documentation has been received. Student account ledger could be obtained at the boutique.
- If you chose to receive stipends, you forfeit the GES scholarship. Stipends will be evaluated without the GES Matching Fund
