ACCUPLACER PLACEMENT ASSESSMENT ACKNOWLEDGEMENT- GENERAL

What is ACCUPLACER?

ACCUPLACER is a comprehensive battery of test designed to provide information about applicants reading, writing, arithmetic and computer skills. Tests within the ACCUPLACER System are delivered over the internet and are used extensively with high schools, community colleges, four year colleges and technical schools around the world. The primary function of ACCUPLACER placement assessment is to assist with determining if applicants are prepared to enter college-level courses.

Culinary Institute LeNotre requires all applicants interested in pursuing an Associate's Degree program to complete and pass three ACCUPLACER Tests. Those tests and passing scores are as follows:

- ❖ Arithmetic
 - The Arithmetic test measures applicant's ability to perform the basic arithmetic operations and to solve problems that involve fundamental arithmetic concepts. Three content areas are measured: Whole Numbers and Fractions; Decimals and Percent's; and Applications. These students are able to:
 - Perform simple operations with whole number and decimals (additional, subtraction and multiplication)
 - Calculate an average, given integer values
 - Solve simple work problems
 - Identify data represented by simple graphs
- ❖ Reading Comprehension
 - Applicants at this level are able to comprehend short passages that are characterized by uncomplicated ideas, straightforward presentation and for the most part, subject matter that reflects everyday experiences. These applicants are able to:
 - Recognize the main idea and less central ideas
 - Recognize the tone of the passage when questions do not require fine distinctions
 - Recognize relationships between sentences, such as the use of one sentence to illustrate another

What If I Don't Pass?

Culinary Institute LeNotre requires a passing score on all three ACCUPLACER tests. If for some reason, an applicant **does not** pass one or more of the tests they are given the option of retaking the test(s) up to three times. The test retake schedule is as follows:

1 st Fail	Must wait 3 business days to re-test
2 nd Fail	Must wait one calendar year
3 rd Fail	Application permanently denied
